CAVE-STAY
GRANADA

Discover Nature Around You

A nature guide for
cave-stay guests

Natural Springs

Two natural springs are located nearby, offering crystal-clear water at a pleasant 19-22°C year-round.

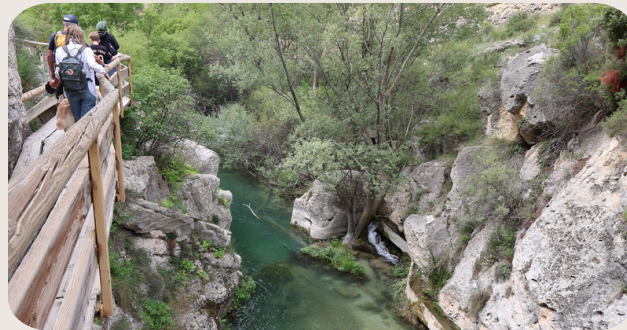

- **Fuencaliente Orce (image above) - 13 min drive** - Spring-fed pool with sunbathing lawns, a summer restaurant, playground, and a small stream perfect for cooling your feet.
- **Fuencaliente Huescar (image below) - 3 min drive** - Large spring-fed pool with grassy areas, shaded trees, restaurants, a playground, and tennis court.

Castril & Sierra de Castril

The charming village of Castril - is a 35 min drive and is one of the most picturesque towns in the region, known for its dramatic cliffside setting and traditional Andalusian character. Explore its narrow streets, historic castle ruins, and the spectacular walkway suspended above the river gorge. Just beyond the village lies the **Sierra de Castril Natural Park**, a protected area of forests, mountains, waterfalls, and crystal-clear streams. It is an ideal destination for hiking, wildlife spotting, and enjoying unspoilt nature.

Hiking & Nature

There are a lot of places to explore near Huéscar. These are just a few options to give you an idea.

Área Recreativa Puente Tablas (image above) - 30 min. drive

A peaceful large picnic area surrounded by the shade of pine trees, with a fresh-water stream running alongside it, perfect for relaxing and enjoying nature.

Hiking Near Huéscar (image below) - 15 min. drive

Discover scenic hiking trails around Huéscar, including the Atalaya de Almorox viewpoint, offering stunning panoramic views of the surrounding landscape.
